

Support Our Kids

Mr O'Farrell,
don't CUT our

**DISABILITY
FUNDING,**

it affects

**all OUR
KIDS!**

- From the start of Term 3, 272 schools in NSW will face cuts to critical funding that supports kids with disabilities.
- This will restrict support for kids already facing big challenges getting through primary and high school.
- Without enough support teachers, all our kids suffer in class.

sign the petition today

to help stop cuts to disability support in our school.

Can you get others to sign it at work, sport or in your neighbourhood?
